

# WATERVIEW STREET Drainage Improvements Project

The City of Portland and construction contractors plan to upgrade the storm drainage systems along Waterview Street. The project involves replacing aging system infrastructure to increase the reliability of the drainage systems in the area.

## WHAT

The project involves:

- Replacing aging storm drain pipes with new upgraded pipes
- Improvements to drainage flow

## WHY

Project benefits:

- Increases reliability of drainage
- Upgrades aging infrastructure to meet current standards

## WHEN

Work begins week of August 16.

Working hours are 7:00 a.m. to 5:00 p.m. Monday - Friday.

Work is expected to last 4 weeks.
